### **About Rand Logistics**

Rand Logistics, Inc. is a leading provider of bulk freight shipping services throughout the Great Lakes region. Through its subsidiaries, the Company operates a fleet of eleven self-unloading bulk carriers, including three integrated tug/barge units, and three conventional bulk carriers, of which one is operated under a contract of affreightment. The Company is the only carrier able to offer significant domestic port-to-port services in both Canada and the U.S. on the Great Lakes. The Company's vessels operate under the U.S. Jones Act – which reserves domestic waterborne commerce to vessels that are U.S. owned, built and crewed – and the Canada Marine Act – which requires only Canadian registered and crewed ships to operate between Canadian ports.
